Dear Friends,

November 24, 2007

I hope your Thanksgiving was a blessed time with friends and family. For me Thanksgiving this year holds so many special memories of “thanks” to the Lord for His faithful provision and protection... I am SO thankful to serve such a loving God!

In Uganda the Lord continues to work in so many HUGE ways... especially in the lives of the children. As we look forward to 2008, it is with great anticipation at seeing the Safe House completed, more children fed, and the Village in the safe zone completed and children moving in soon.

I wanted to bring before you some opportunities for you to join hands with us in ministering to the orphans and many former child-soldiers of Northern Uganda.

“My mother got sick and died of HIV/Aids and my father was killed by the Rebels. I am 7 years old. Thank you, for feeding me and helping me go to school.” Paska

Stories like Paska’s can be replicated over and over again... only because of the partnership of faithful friends like you... who invested in their lives and made an eternal difference! There is still so much the Lord has laid before us to do... Including:

- ☐ **Immediate Needs** - \$91,270: To provide food, clothing, education, and counseling for 200 street orphans/children the coming year. Funds are needed immediately.
- ☐ **Safe House** - \$24,500 - A safe home to 25 street orphans: Immediately need to complete (kitchen, bathrooms, water tank, plumbing).
- ☐ **Village Phase I** - \$59,800: Provide safe homes for 100 children in a non-war-zone [see page 2 details], where they will get ongoing trauma counseling for the horrors they endured along with food, education, skill training and a loving mom to care for them.

Joining with us opens the door to allow “*the little children come to Christ.*” Your financial partnership with Village of Hope results in saving the lives of children. Please ask the Lord how you should partner with us in a significant way.

Your end-of-year gift or a monthly commitment will make a huge difference, and funds are needed and put toward immediately. I will contact you soon to see how the Lord is leading you. We cannot do this work without the sacrificial and generous gifts of friends like you.

Thanks you in advance for responding to the Lord’s leading! May He bless you abundantly as you and your family celebrate the birth of our Savior!

Serving Christ as we serve the Children,

Cindy Cunningham, Village of Hope Director & Founder
