Mission Statement:

To help the helpless in Africa, to bring safety to children who don't have safety, to provide shelter to the homeless and food to the hungry. To provide opportunities where there are none through education, medical aid, skill training, micro-economics, trauma counseling and spiritual growth and discipleship. Jesus said in Matthew 25: 35-40, *"I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink... I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."*

Our Vision:

To meet the immediate, intermediate and long term needs of orphans and former child soldiers in Northern Uganda. This will be accomplished by the Feeding Ministry, Safe House and Village of Hope in Bweyale. Villages (communities) of hope will be built for orphans and widows, where children can live with their siblings in safety. This will be a place they can go to school and learn how to help themselves and their communities. To provide them with the basics of life: food, shelter, safety, education, skill training, love and hope in Christ.

Our Partners:

By networking, organizations, churches, families, schools and individuals in America who will work together for the sake of the children. We can do more together than any of us can do on our own.
