

JOIN THE CELEBRATION OF HOPE

On October 13, Village Of Hope will celebrate 10 years of God's transforming work in the lives of former child soldiers and other orphans in Northern Uganda. He has provided loving homes, food, education, life skills, medical care, trauma counseling and spiritual discipleship for children orphaned by the rippling effects of the Lord's Resistance Army's brutalities. We would love your help to bring the Village of Hope message to our local community by becoming an underwriter for this event.

Your donation of \$250-\$10,000 will allow Village of Hope to continue ministering to the orphans of Northern Uganda and provide an opportunity for even more people to become involved in what God is doing for his children in Africa.
